

## Application checklist

- Read and complete forms.**  
Once you've read the important information in this booklet, and chosen your cover from a Latrobe brochure, complete both sides of the Latrobe membership application.
- Lifetime Health Cover**  
Have you attached a photocopy of an acceptable document confirming your age (and your partner, if applicable)?
- Federal Government 30% rebate**  
If you're claiming the 30% Rebate as a reduced premium, check that you've completed the 30% Rebate application. This is required even if you have completed the application with a previous fund.
- Are you transferring from another fund?**  
To protect any waiting periods you've already served and to ensure efficient claim settlement, authorise Latrobe to obtain confirmation of your previous fund membership details by completing the Clearance Certificate request.
- How do you want to pay your membership premiums?**  
If direct debit is your preference, complete the Direct Debit Request. Don't forget to read the Service Agreement!
- Send all documents to Latrobe**  
In an envelope, or call at one of our branches or agencies.

**Too much paperwork?**

**Call Latrobe and join over the phone**
